

Safety Utility Knife

Never touch, buy or worry about replacing blades again!

CrewSafe®

the LIZARD® "S" Model

MINIMIZES the huge potential medical and legal costs your company could incur due to losses associated with broken and loose razor blades.

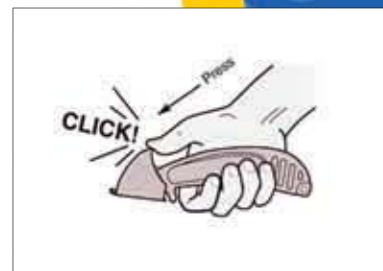

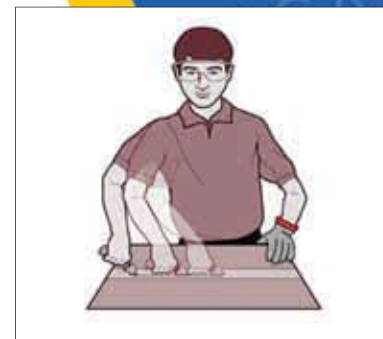

Why use it?

-  No more loose blades!
-  Employees never need to handle blades again!
-  Stop worrying about blades ending up in product sold!
-  Easy to use!

Lanyards Available

Self adhesive disk
(fastens lanyard to tile, stainless, plastics...)
